With our original production processes, MARUSAN AI has succeeded in creating plant-based milks that are easy to drink. We are also particular about the soybeans we use in our pursuit of delicious flavor that is safe and reliable. Our products are also widely loved overseas, with our exports increasing about eight-fold in the past ten years or so.

Our soy milk, almond milk, and other plant-based milks are made with meticulous care right from ingredient selection. They are delicious on their own and are also perfect for cooking and making desserts.

We have ten standard soy milk products for overseas export with a best-before period of 365 days. Please do try MARUSAN AI's plant-based milks that are loved all over the world!
